

# KIA ORA KOUTOU

17 May 2018  
Newsletter 13

Finally, after 8 years we are finally in our buildings – a very surreal feeling indeed for some of us who have waited all this time for the change and new surroundings. Everyone seems to have settled into the new environments and spaces – this always takes time and has its ups and downs along the way, but on the whole transiting has gone really well – as you would all appreciate shifting house with children is difficult, so shifting school with 250 children is a huge upheaval for everyone.

I would like to thank all the parents/caregivers for your cooperation and understanding with the move day last Friday – and keeping children home. This was a huge help and meant we could really focus the teachers on moving their furniture and equipment to the right places. We also had the much needed help of 10 Trident High School Students (all ex Ohope Pupils), who are fundraising for their class trip to Great Barrier Island. With their assistance, we managed to quickly move the 'whole' school by about 4.30pm on Friday.

A huge thank you also to the many parents who popped in when they could during the day to lend a hand shifting things about – a great help.

I must acknowledge **All of the Teaching Staff** who have put in a huge amount of work and long hours into smoothly transitioning and shifting.

## UPCOMING EVENTS

- 4 - 5 July – Student Led Conferences (details to Follow)
- 6 July – End of Term 2

They have spent many hours (over the last few weeks) planning and adjusting their programmes ready to start in the new spaces – along with spending the entire weekend working in the new spaces setting up ready for the start on Monday May 14<sup>th</sup> – all teachers were in at school both Saturday and Sunday from early until late. They will be looking forward to a well earned break this weekend!

I must also take this opportunity to acknowledge the work of our office staff Julie and Jenny and our caretakers Pete and Val who went above and beyond to ensure that our transition has gone as smoothly as possible – and things were all up and running in time for Monday May 14<sup>th</sup>.

One of the prefabs (Parekereke) on the move last night  
The office prefab was also moved last night.
