

WOW!!

What amazing performances at yesterday's matinee, and last nights show by all our children in the first two performances of "We are Kaitiaki" School Production 2019.

The talent, creativity and skills of all our children continually amaze and surprise us all!!

One **SOLD OUT** show tonight to go – some very tired and weary children after the full-on nature of the last few weeks leading up to the performances, but just one more performance to get up for!!

A big thank you to all the amazing parents and whanau that have volunteered their assistance at various times and in various ways over the last few weeks helping children and classes get their item ready and on stage – without your help these experiences for our children are not possible.

Also a huge thankyou to all our incredible teachers, teacher aides, and support staff for all their many hours of work preparing props, costumes and items – a great team effort.

SUN SAFE TERM 4

As per our school sun, safe policy Term 4 is a 'HAT TERM'.

It is compulsory for all children to be wearing a hat at all times when outdoors.

The school-approved style of hat is the bucket hat – any wide brimmed hats must not have neckties attached (for safety reasons). We do not allow caps due to the fact they do not give full protection from the sun i.e. ears and the back of the neck are still exposed.

Please make sure your child has a hat at school (with their name written on the inside) for the first day of school next term.
