Tuesday 24th March - Update

Thank you all for your support and good wishes during this challenging time. We still have several home learning packs at the office for collection.

The office is open until 3.00pm today and will be open again tomorrow. After that the school will be closed until further notice.

The school holiday break has been brought forward and will now be observed from Monday 30th March to Tuesday 14th April. Staff will be like you, at home with their families.

If you wish to make contact with your child's teacher, this week or after the holiday break, you can do this via email.

We will keep in touch with you via the school app, the website and by bulk email. Class teachers will also keep in touch with their students.

School Grounds:

The school grounds will be closed while we are at Alert 4. Please do not come into the grounds at all during this time, this includes playgrounds, sandpit and the bike track.

School App:

We are using this communication tool for all correspondence from the Board and Principal. The information will also be emailed and on the website. Teachers will not use the app for communication so you will not be inundated on this communication tool with home learning.

If you have not yet downloaded the app we encourage you to do this now.

You can download the app by searching for SchoolAppsNZ.

This is the logo you need to be looking for.

Once you have downloaded this app you will be prompted to search for the School.

You will be asked to select groups you wish to receive alerts from. Select newsletter group to get the alert as items are loaded.

You will be able to notify the school of student absences via the app either by phone, email or text.

Thank you:

We really appreciate your continued support as we all work through this together. I thank the staff for the work they have put in to prepare for this and the work they will put in to support you and your child.

Please take care of each other, stay safe and be kind to everyone. We look forward to welcoming the children back to school when we are advised we can reopen.

Ngā mihi

Cathryn Naera - Principal
