Easter Holiday Break:

The school will be closed on Friday 2nd April, Monday 5th April, and Tuesday 6th April for the Easter Holiday break. We wish you all a good break with your families. Be safe on the road if you are travelling. The children return to school on Wednesday 7th April.

Swimming Season:

Our swimming season ends today. We wish to pass on a big thank you to Pearl who has been assisting with swimming all season. The staff appreciate her expertise and support in the development of the children's swimming confidence and skill. Thank you to Pete and Val who have been looking after the pool all season, ensuring it is ready for the children each day.

Assembly:

Last week Te Tiwai – Kowhai students hosted the assembly. Well done to the children who carried out the introductions, who worked the visual displays and who shared work with the rest of the school. These opportunities develop confidence when speaking to a large audience. The next assembly will be held on Friday 9th April and will be hosted by Ngā Huiarau.

Dynamos Training:

This week a group of year 5 and year 6 children took part in Dynamos training with Sport Bay of Plenty. They have been trained to run skills and games with younger children. Next term they will get the opportunity to run game sessions at break times with the students. Thank you to the children who have taken up this opportunity.

Visiting School Tutors:

This week we had a group of students visit us from Te Kura o Paroa. These students tutored our kapa haka students as they learn new waiata and patere of Ngāti Awa. This was an excellent opportunity for our students to hear correct pronunciation, learn actions and to practice with these student tutors. We look forward to further opportunities to foster this in term two.

Lost Property:

Please come in and check the Lost Property box before the end of the term. The box has a mixture of clothing, coats, swimming togs, towels, hats and drink bottles which have accumulated during the term. The box will be emptied at the end of the term.

Dear families

Next term we are starting an enviro club for our year 4-6 students. These students will be supported with trapping pests in order to protect our precious native birds. We have been advised that the best bait to use is salted rabbit. We are appealing to any families that hunt/ shoot rabbits to get in touch with Abi via email: abi@ohopecoast.school.nz
Halo Whakatane have kindly offered to supply us with salted rabbit bait, in exchange for fresh rabbit meat (preferably skinned, gutted and freshly frozen).

We have had a great response from the children, and we are looking forward to supporting these keen enthusiasts at becoming kaitiaki for their environment.

Thank-you for your support.

Whaea Abi
