Rāpare 8 Paenga-whāwhā ~Thursday 8th April 2021

I hope you all had an enjoyable long weekend over the Easter break. Next week will be the last week of term one with school closing on Friday 16th April.

Twilight Market and Movie: Friday 9th April

Tomorrow is the big night. Our team of dedicated workers have been very busy, and we are looking forward to a great afternoon and evening.

Raffle tickets, movie tickets are all for sale in the office now. The hangi is sold out.

The Twilight Market starts at 5.00pm with the movie starting at 7.15pm.
Come along and enjoy the evening with your children. If you are attending the movie be sure to bring a picnic rug along to sit on, warm clothing and/or a blanket to rug up in. Hopefully the weather will be kind to us.

Assembly:

The next assembly will be held tomorrow, Friday 9th April and will be hosted by Ngā Huiarau.

Lost Property:

Please come in and check the Lost Property box before the end of the term. The box has a mixture of clothing, coats, swimming togs, towels, hats, shoes and drink bottles which have accumulated during the term. The box will be emptied at the end of the term.

Term Two:

Next term we will have the Life Education classroom at school for the first two weeks. All classes will have lessons in the classroom with the specialist teacher.

We have been working with the Police Education Officers to plan "Keeping Ourselves Safe" lessons for next term. These will start after Life Education.

All teams will have a science focus running from week 3 to week 8 next term. We will also be holding our annual school cross country and then hosting the Inter School Cross Country.

Dear families

Next term we are starting an enviro club for our year 4-6 students. These students will be supported with trapping pests in order to protect our precious native birds. We have been advised that the best bait to use is salted rabbit. We are appealing to any families that hunt/ shoot rabbits to get in touch with Abi via email: abi@ohopebeach.school.nz

Halo Whakatane have kindly offered to supply us with salted rabbit bait, in exchange for fresh rabbit meat (preferably skinned, gutted and freshly frozen).

We have had a great response from the children, and we are looking forward to supporting these keen enthusiasts at becoming kaitiaki for their environment.

Thank-you for your support.
