

Kia Ora Koutou Katoa Rāpare 10 Pipiri ~Thursday 10th June 2021

I hope you all had an enjoyable break over the recent long weekend. This week we welcome Harper who has joined our Meremere classroom. We wish you all the best for your schooling at Ōhope Beach School.

Cross-country:

Congratulations to the runners who represented Ōhope Beach School at the interschool event yesterday. The children competed with Pride and were extremely supportive of each other. We extend a big thank you to Mrs Northey who carried out the organisation of the event. Everything ran smoothly, and we thank the students from both Trident High and Whakatane High who assisted out on the course. Congratulations to the children who placed and will be attending the Eastern Bay of Plenty event in Opotiki.

Leadership Development:

This week our “Pitopito Korero” presenters are Vann and Sam from Ngā Huiarau. This week the boys introduced a new karakia which we are learning as a school. We are very proud of them for taking up this challenge. We look forward to hearing from the new presenters next week.

Support Staff Appreciation Week:

This week has been Support Staff appreciation week. We are fortunate to have awesome support staff at school. They carry out a number of roles from classroom support, library work, office administration, first aid and caretaking. Today we share some of the children’s pictures and thoughts about our support staff.
